

Aurora Sportsmen's Club Junior Rifle Course – 2021

The Aurora Sportsmens Club will hold a NRA Basic Rifle Course for juniors, (boys and girls – ages 10 through 20). This course will run for three Saturdays from 9:00 to 5:00 on April 10th, April 17th, and April 24th, 2021 at our facility in Waterman, Illinois.

This is an intense program consisting of classroom and live fire, with one-on-one instruction on the range, followed by a written exam. The majority of our students graduate, shooting at the NRA level of Sharpshooter with most on their way to achieving their Expert Qualification. Those in Scouting will also be able to complete their Rifle Shooting Merit Badge requirements.

There will be morning classroom sessions starting at 9am on each Saturday of the program. Students will receive coached shooting instruction on the range in the afternoon each week, or later in the year on Youth Shoot Days if needed to account for weather and schedules. Students are required to provide their own lunch, snacks, and beverages for the entire day along with their own transportation from the classroom to the range and back to the classroom to help with cleaning rifles following the afternoon shooting session. Rifle cleaning is a required part of the class as is attendance at the classroom session each Saturday.

The classroom for this course (subject to change) will be at the Clinton Township Community Center in Waterman, Illinois. The range is off of Rueff Road, about 1 mile south of US 30 in Waterman. Directions will be provided to all those that enroll.

Class fee is \$60 and must be paid at the time of registration. We have a class size limitation of 12 students, due to COVID Restrictions (subject to change.)

To register for the class, complete the attached registration form and mail with payment to the address at the bottom of the form. For additional information, send email to the ASC Youth Program Department at youth@aurorasc.org or call the ASC Youth Program at 630-537-0272.

Advanced Shooters

There is an opportunity for those who have attended the class previously to continue practicing their marksmanship skills, making progress toward Expert Qualification and having the experience of live match competition for the CMP Rimfire Sporter course of fire. The advanced class has morning shooting sessions held from 9:00 to 11:30 on each Saturday (April 10th, 17th 24th). The advanced class is expected to help with setup in the morning and can stay over to the afternoon to help coach beginners or continue shooting on a space & rifle available basis. There is no cost for this advanced program and is limited to 10 shooters who have previously attended the ASC Junior Rifle Program.

To register for the advanced class, complete the attached registration form and mail with payment to the address at the bottom of the form.
